NEWS

APRIL 2012

Editorial.

Congratulations to all the Jack Petchey award winners. You have done us proud. Thanks to Madeline Seccombe who is our link to the award scheme. The Cub section five a side was also a great success and thanks to all who entered a team, the winners and not forgetting all the helpers who give up their time.

Anthony Phillips
Editor.

St George's day parade is on April 22nd, 3pm Churchfields, Hanwell, adj Bunny Park.

The collection this year will be for '**SHELTERBOX**'.

All details have been issued to GSL's. Since last year the responsibility for allowing all such events is no longer between us and the Police, but the events team in the Borough. There are significant additional controls not least that parading along the street needs roads to be shut, as we cannot stop traffic as Police officers did in past years. This now requires traffic orders and as you might guess additional payments. Because of these costs, many Districts no longer parade as we did, but hold static parades as we will be doing this year. I know this is disappointing, but we will be looking into how we might have a parade in the future.

PETCHEY AWARDS

Friday 16 March 2012 saw the 8 scouts above and leader **Lee Randall** receive their medals from the Jack Petchey foundation in honour of their achievements last

year. **Jake (8E), Thomas (5H), Katie (1H), George (16E), Genevieve (1EN), Joanna (explorers), Hugo (7H), Izaak (8E)** met Deputy Lieutenant of Ealing and the deputy mayor and enjoyed a fantastic celebration evening with entertainment and razzamatazz and were honoured to be involved in the presentation of a CBE to Jack Petchey himself by the Lord Lieutenant of Greater London, Sir David Brewer. I am grateful to **Geoff Mules** for receiving the mayor and DL on behalf of Ealing and Hanwell Scouting and was delighted to be involved in the presentation ceremony. Congratulations to all.

So far this year I have received nominations for **Dylan Keene (9E); Josephine Elliott (Brigantia) and Karl Raines (5H)**. Congratulations to all of them and keep the nominations coming in. The **Jack Petchey** foundation are very keen that the young people themselves nominate their peers for an award and are actively involved in choosing the equipment/trip/activity. I hope to hear from every group this year.

Cub Scout 5-A-Side Football Finals 2012 report

Saturday 3rd March 2012, Hanwell Community Centre saw another day of exciting football skills and thrills as a very talented group of cub-scouts set out to add their name to the victors roll of honour and claim bragging rights for the next year.

The A-League finals saw some fantastic performances right from the word go, with a good mixture of individual flair and some fabulous team work on display.

Some of the Highlights and Results from the A-Team Finals:

Winners = 6th Ealing
Runners Up = 7th Hanwell A
3rd Place = 9th Ealing

4th Place = 16th Ealing
5th Place = 1st Ealing North St.Peters.
Player of the Tournament = Alex Fuggle of 9th Ealing pack.**

**We introduced a new award this year to pick out the star player, the referee team had a hard job selecting from such a talented group. We hope to keep this in for next year.

6th Ealing had a bare bones squad, but in Rory & Lucas they had enough skill to outscore everyone else. Scoring 7 goals and picking up 9 points to lift the trophy in style. The opposition hope these lads will be in Scouts next year. One of my referees thought they should be scouted by QPR! An excellent performance all round and well played the 6th.

7th Hanwell produced the best defence by a long way, and amazingly did not concede a goal throughout the finals. With Ted & Harry playing on top of their game they produced enough for 2nd place. They managed to score 5 goals and picked up 8 points to finish 2nd

9th Ealing were another well disciplined team and were chasing the top 2 all the way, scoring only 2 goals it was their teamwork and a credit to their defence that they finished 3rd with 7 points (were only 1 point of 2nd place). Alex was picked out as a star player, she was consistent all the way through the tournament and wowed the crowd with some excellent shooting and ball skills. She was awarded the player of the tournament by the referee team.

16th Ealing were worked incredibly hard and had in their goalkeeper, Miles, a contender for player of the tournament, he was the bane of many opposition strikers and put in some incredible keeping displays. The 16th scored 4 goals and picked up 5 points.

1st Ealing North St.Peters produced some fine individual performances and demonstrated great team spirit, with such strong opposition this year it was always going to be tough for one of the youngest teams to qualify this year, and they scored 1 goal and picked up 1 point. As always there was great support too for one of our regular finalists who will bounce back next year I'm sure.

Some of the Highlights and Results from the B-Team Finals:

So the B-League carried on the excellent performances seen in the A-Finals, with the emphasis on fun the B-Leaguers approached the finals in great spirit, and all

the cubs were a credit to their leader teams. The crowd responded to the cubs and the atmosphere was superb.

Winners = 6th Ealing
Runners Up = 16th Ealing
3rd Place = 7th Hanwell C
4th Place = 1st Hanwell
5th Place = 5th + 8th Hanwell (13th Hanwell?)
Player of The Tournament = AJ from 6th Ealing.

6th Ealing sought to emulate their A-Team colleagues and did so with more style, with a watertight defence they did not concede a goal and managed to score 5 to grab 1st place with a whopping 10 points. AJ was fabulous outfield and at B-Level a great keeper can make all the difference, this they had with Zachariah. This strength in depth made the difference for 6th, and although these lads were fighting each other for Star Player right from the off they still graciously stood down to ensure all their team got equal amounts of time on the pitch.

16th Ealing were not letting the 6th have it all their own way, and in Stefan and Milo also had contenders for Star Player. The 16th scored a massive 12 goals (more than all the other teams combined) and accumulated 9 points, incredibly exciting to watch it was all out attack from these cubs who nearly spoil the party for the 6th.

7th Hanwell C proving that their A team cousins were not the only ones who can defend like Trojans, with Sam catching the eye as their star player and goal threat. However only 2 goals scored left them with 7 points in 3rd place.

1st Hanwell started well and looked early favourites to press for the top, with Olly as their stand out player early on. All the players worked tirelessly but unfortunately were unable to capitalise on their great start they slipped to 4th, scoring 2 goals and picking up 3 points.

8th+5th Hanwell (the mighty 13th) were on their own turf, and spurred on by great home support they gave their all, constantly playing with smiles on faces, these guys were here on merit and determined to enjoy themselves, Antonios was their stand out player, brave in goal he was constantly encouraging his team mates, and he demonstrated excellent sporting attitude (he would have got the vote for star man from Joceleyn and I). A credit to our district, this combined team demonstrated all that was good about scouting in E&H. The mighty 5th+8th Hanwell found themselves in the finals pitted against the strongest B-Teams I've seen in many years and managed a credible 5th place scoring 1 goal.

And Finally, I've already called them out, but this tournament can't happen without the team who support me to make this event possible, my team were:

Stuart Flaye (so experienced makes Mark Clattenburg look like an amateur, and Stuart has all his own hair too, although with recent addition to the family and many sleepless nights that may change).

Darren Murphy (has been doing this for as long as I have, his experience and ability to laugh (at me mostly) keeps the team going during stressful moments).

Phil Fitzgerald (a great debut performance by Phil, almost as excited as the cubs at times, a football man to the core who has found his calling, see you next year mate 😊).

Chris McCluskey (our jetsetting man from Aunty is coolness personified, he's always encouraging the cubs and is a great asset to the team, especially as his mum brings the sausage rolls, freshly baked too...mmm).

John Stanton (mature beyond his years, his physical presence demands respect, I can't believe he was one of my cubs, I hope I was nice to him!).

Ben Phillips (this youngster showed a natural talent and just got on with the job, I'm hoping he doesn't get selected by FIFA so we can grab him next year).

Jocelyn Doyle (my feet on the street (literally) whose support is invaluable, she does all the paperwork and important stuff, but I'll still take the credit ;))

And **The Family Shah** who en-masse took over the task of assisting with scoring and timekeeping, and despite inexperience still done a better job than me (well I was tiring by that stage).

Look forward to the next one.
