## **Jamboree17, Rinkabyfaltet, Sweden 5 – 12 August 2017**

Scouts are experts at creating venues for meeting and interacting. Though every single encounter is unique. Jamboree17 has three

keywords: open mindedness, collaboration and self-esteem, which shapes this experience. To participate in Jamboree17 will be fun

and developing for both scouts and leaders. Lots of things will be familiar, but you will also be able to experience many new things.

Some experiences can only be had when you get 20 000 scouts and other participants in the same field. Yes, that's right. One part

of the experience at Jamboree17 is to meet across borders to learn from each other and grow as individuals and as a group.
