Description

To introduce models, tools and techniques that will enable adults to be effective leaders of other adults and of young people.

This means:

- ❖ Systematic planning
- ❖ Theory of leadership
- ❖ Leadership styles

Test yourself questions

1. Can you name and describe a systematic planning tool?

2. Can you explain how you would use a systematic planning tool to complete a task?

3. Are you aware of the Action Centred Leadership model and do you know how to apply it?

4. Can you describe a variety of different leadership styles?

5. Can you describe ways in which you could develop leadership skills in others (both adults and young people)?

Details of my experience:

Enter here the details of any recent experience you have gained on this topic. For example, if you attended a course, who ran the course? Where? When? What qualification (if any) did you get?

How is this module validated?

To validate this module you will need to complete two of the following:

1. Use a systematic planning tool to complete a task, provide evidence of your use of the tool and discuss the experience with your Training Adviser
2. Explain the Action Centred Leadership model and apply it to an activity which they have run recently
3. Using a questionnaire, or similar tool, identify your preferred leadership style, and how it impacts on your role in Scouting. Reflect on the four different leadership styles and consider how they inform your working in your Section or Group Leadership Team
4. Produce evidence showing how you have led an event or activity during which your leadership style changed a number of times
5. Run a game or activity to develop leadership skills in young people or adults
6. Any other ideas subject to agreement with your Training Adviser
