

Barry C Welch 10 05 1943 – 30 09 2022

Barry was a former District Commissioner Northwood Eastcote District and a Cub Scout Leader at 6th Northwood. He was also an Assistant District Commissioner (Leader Training), regularly encouraging and cajoling leaders to complete their Wood Badges.

Along with his wife Dilys from 1984 he ran one of the packs at Oaklands Gate and when the need arose looked after the training of adult leaders. He then in 1999 became District Commissioner until the new District of Ruislip Eastcote Northwood was formed.

He received the Silver Acorn in 2005.

Barry is remembered by many young people as the man with the accordion and parrot as Percy came to all District Cub Scout Camps.
