

# County Development Support Assistant

Are you passionate about Scouting and giving more young people the opportunity to learn Skills For Life?

We are looking for enthusiastic and experienced people to join the team to introduce new communities to Scouting and help recruit and mentor new volunteers.

# Ad hoc Development Support Opportunities

We are currently looking for enthusiastic and committed people to be part of a team who will deliver our Six Week Challenge programme and help launch new sections across the County.

This is a paid opportunity where you will lead our introductory programme in new areas and communities and help to build sustainable Scout groups across GLMW.

Required on an ad hoc basis, you would support new sections in the County (initially for a 6-12 week period).

## Core Purpose

- To deliver our Six Week Challenge programme and introduce Scouting to new youth members and encourage new adult volunteers.
- To run energetic and fun weekly sessions.
- Engage with parents of Beavers, Cubs and Scouts and others within the community.
- Welcome new adults and young people to Scouting.
- To guide and mentor new volunteers and support them in planning, programme delivery and through the initial learning modules.

## Qualities

- Be enthusiastic and able to enthuse others.
- Be familiar with the Scouting programme and able to run engaging sessions in line with POR.
- Be committed to the fundamentals and values of Scouting. Including being willing and able to be a Member of the Scouts.

## Other Essential Criteria

- Must live in a geographical location to enable effective support to volunteers in Greater London Middlesex West.
- Able to commit to the term of the project (usually one evening per week plus a 'Day of Adventure' at PACCAR or Walter Davies on a weekend)
