

GLMW 20in20 Challenge Badge – The Lockdown Version

Although the suspension of face-to-face Scouting has brought some additional challenges to us all, this will not stop us completing and participating in our Scouting activities! The 20in20 Challenge is a really flexible award that enables many variations of each of the challenges. We have put together this ‘Coronavirus Lockdown Version’ of 20in20 to help keep everyone in touch and participating in Scouting from home. We hope you enjoy taking part.

Everyone has **18 core challenges to complete**, plus **a choice of 2 out of 4 additional challenges**. **A badge for everyone taking part** in your section will be awarded once 20 challenges have been completed. Where we have suggested a **Lockdown version of the challenge** it is coloured in **Blue** to give it as an example and also to **celebrate our Key workers in all the support services and, especially, in the NHS**

We hope this will enable more young people to achieve their Chief Scout Awards. Groups and Districts may want to work together to provide suitable opportunities to complete the challenges, and some activities will be available from the County team with support from your Districts.

If a young person moves from one section to another during the year, they can carry their completed challenges with them to their new section. For each Challenge Category, we’ve given some examples but you can adapt them to suit your group and you can be creative in how you achieve them...

The 18 Core challenges are:

	Challenge Category	Examples for Beavers	Examples for Cubs	Examples for Scouts	Examples for Explorers/ Young Leaders
1	Camping	Camp overnight in a tent or den in your home	Camp for 2 nights in a tent or den in your home	Camp overnight not in a tent Camp overnight in your home or garden	Camp overnight off the ground Camp at least 2 nights overnight in your home or garden
