

Name:

Description

To enable adult volunteers working with young people, to understand and meet their needs.

This means:

- ❖ Characteristics and development of young people
- ❖ External influences on young people
- ❖ Creating a supportive environment for young people
- ❖ Responding to issues affecting young people

Check your knowledge questions *(others will be used in Validation)*

1. Can you describe some typical characteristics of young people in your section?

2. Can you identify some of the ways young people develop as they move through Scouting?

3. How does Scouting responds to the changing characteristics and development of young people?

4. Why is it important that leaders in all sections develop an understanding of the full age range of young people in Scouting?

5. Can you identify factors outside of Scouting that may influence a young person?

6. Can you describe what role technology and social media play in young people's lives?

Details of my experience:

Enter here the details of any recent experience you have gained on this topic. For example, if you attended a course, who ran the course? Where? When? What qualification (if any) did you get?

How is this module validated?

Section One

To validate this module you will need to complete one of the following:

1. Outline how your section provides a supportive environment for young people
2. Create an action plan to develop the supportive environment in your section
3. Show evidence of communicating appropriately with young people as part of their role

Section Two

And you will need to complete one of the following:

1. Show evidence of responding effectively to issues affecting young people in the section
2. Plan and deliver an activity raising awareness of some of the issues experienced by young people
3. Any other ideas subject to agreement with your Training Adviser
