The GLMW 20in20 Challenge

Develop your skills – Achieve awards – Join in with others

The idea for this challenge badge came from a suggestion by a Cub when completing a postcard to the Chief Scout, Bear Grylls. They challenged him to set 20 challenges to be completed in the year 2020. We were inspired to set this challenge up for the County in a way that would enable everyone to take part.

We have set up 20 Challenge categories for you to complete. 18 of them are in core challenge areas or themes with an additional 2 from 4 that you can select for yourself.

As you complete each challenge, get it recorded on your very own record card, validated by your
